ACT CODE:	1100 44121

## INTRODUCTION

In terms of section 45 of the Municipal Systems Act, No. 32 of 2000, audit of performance measurements- the results of performance measurements in terms of section 41 (1) (c) must be audited-

- a. as part of the municipality's internal audit processes; and
- b. annually by Auditor-General.

Furthermore, Section 14(1) (a) of the Municipal Planning and Performance Management Regulations 2001 stipulates that a Municipality must develop and implement mechanism, systems and processes for auditing the results of performance measurements as part of its internal auditing processes.

- b) Any auditing in terms of paragraph (a) must include assessment of the following:
  - i. The functionality of the municipality's performance management system;
  - ii. Whether performance management system complies with the act; and
  - iii. The extent to which the municipality's performance management systems are reliable in measuring performance municipalities on indicators referred to in regulation 9 and 10.
- c) A municipality's internal auditors must –
  - i. On continuous basis audit the performance measures of the municipality; and
  - ii. Submit quarterly reports on their audits to the municipal manager and performance audit committee referred to in sub regulation (2)

Furthermore section 166 (2) of the Municipal Finance Management Act, No 56 of 2003 also state that an audit committee is an independent advisory body which must- (b) review the annual financial statements to provide the council of the municipality or, in the case of a municipal entity, the council of the parent municipality and the board of directors of the entity, with an authoritative and credible view of the financial position of the municipality or municipal entity, its efficiency and effectiveness and its overall level of compliance with this Act, the annual Division of Revenue Act and any other applicable legislation;

## **PURPOSE AND OBJECTIVE OF THE PROJECT**

- Test the extent of alignment Annual Performance information Report with targets as set in municipal entity's Corporate Plan and Annual Performance Plan, (also testing alignment with organizational plans of the parent municipality).
- Determine the extent of compliance with Performance Management Regulations and Municipal Systems Act.
- Determine the extent of compliance with Performance Management policy of the municipal entity.
- Verify the achieved targets as indicated in the Annual Performance Report
- Test Completeness of Annual performance information report
- Also review the credibility of the municipal entity's Annual Financial Statements before submission to the Audit Committee and Auditor General respectively.
- Establish whether all disclosures are made in the Annual Financial Statements. This includes checking whether the statements reconcile with the trial balance as well as with supporting schedules. Also test the presentation and the extent of compliance to the applicable accounting standards and applicable legislation.

## **REQUIREMENTS**

Alfred Nzo District Municipality wishes to obtain the services of external service provider to reviews Annual Performance Information and Annual Financial Statements 2017-18 of the municipal entity as these directly impact on the validity, completeness and accuracy of financial and non-financial information of ANDA.
